December 11th, 1914

Professor George Cross,  
Rochester Theological Seminary,  
Rochester, N.Y.

My dear Professor Cross:

I have to thank you very sincerely for your kindness in writing to me with regard to the action that has been taken in the matter of the German professors. It has been a difficult position, and our difficulties are not over yet. I hope, however, that we may be able to come through without doing injustice to any one and without finally injuring the University. The fact that you approve of my course is a great satisfaction to me.

Yours sincerely,

President.

Professor Cross,

Rochester Theological Seminary.

My dear Professor Cross:

Professor Braun of Columbia has recommended to me very highly Professor Puckett of Rochester University for a position in German. Do you happen to know Mr. Puckett, or could you get me any reliable information about him? I do not wish to go further until I know something more about him. I know that as an alumnus of Toronto you will not consider that I am asking too much in requesting you to make such inquiries for me.

With kind regards, I am,

Yours sincerely,

President.
